The "blokes" from Down Under haven't won a men's Olympic 100 free gold since Michael Wenden @ Mexico City [1968]. Two years before beating USA's Mark Spitz in Mexico, Wenden was a mere 16 years old when he won his first international title, the 1966 Commonwealth Games 100 free, in Kingston, Jamaica. He won again in '70 [Edinburgh, Scotland] and "threepeated" @ Auckland, New Zealand in '74 – the Games' first "threepeater," either sex. (Note: first American gold-medalist/world record-setter @ Olympics since USA's Bruce Furniss [Montreal, 1976]. First man to break world-record @ an Olympics since Holland's Pieter van den Hoogenband [Sydney, 2000]. Win gave Phelps nine golds, tying him with Americans Carl Lewis and Mark Spitz + two others for most-ever [multiple Games]. In breaking his own wr by nearly a second [0.96], Phelps' margin is largest single such reduction since American Tim Shaw broke Spitz's wr [1:52.78] from Munich Olympics with his 1:51.66 @ AAU Championships in Concord, CA. [1974]. (Note: U.S.' Don Schollander has event's most wrs [nine] while Australia's Ian Thorpe follows with six. Phelps has two. (Note: margin of victory [1.89 seconds] greatest since introduction of fully automatic timing 40 years ago. (Note: Asian-Chinese Open-"All Comers" record.)
