## 100 METER BUTTERFLY

### Top 6576 Performances

49.82**	<b>Michael Phelps, USA</b> (Splits: 23.36, 49.82 [26.46]. (Reaction Time: +0.69. (Note: Phelps' third world-record in 100 fly, second time in 23 days he has broken it. Last man to break wr twice in same year was Australian Michael Klim, who did it twice in two days in December of 1999 in Canberra, when he swam 52.03 [12/10] and 51.81 two days later. (Note: first time record has been broken in Rome and/or Italy. (Note: Phelps' second-consecutive gold. Ties him with former U.S. teammate Ian Crocker for most wins in this event [2]. Phelps also won @ Melbourne [2007] in a then pr 50.77. U.S. has eight of 13 golds overall. (Note: Phelps first man to leave a major international competition holding both butterfly world records since Russia's Denis Pankratov following the European Championships in Vienna 14 years ago [August 1995]. Pankratov first broke the 200 world record of USA's Melvin Sewart [1:55.69 to win gold @ the 1991 World Championships in Perth] with his 1:55.22 @ Canet in June of '95. The Russian then won the gold and broke the global-standard in the 100 w/his 52.32 @ Vienna two months later. That swim took down the USA's Pablo Morales' 52.84 from the U.S. World Championship Trials in Orlando nine years earlier [June '86]. (Note: Phelps' three wrs in this race now tie him with Crocker for most all-time by <u>ANY</u> American <u>NOT</u> named Mark Spitz, who broke standard seven times during his career [56.3 @ 1967 Pan-Am Games in Winnipeg to 54.27 @ Munich Olympics in September '72]. Spitz also first under 57.0, 56.0, 55.0. Japan's Takashi Ishimoto has race's second-most world records [five]. Phelps first man under 50.0, Serbia's Milorad Cavic second. (Note: 35 <sup>th</sup> world-record of career. Most by any swimmer [m/f]. First was 200 fly @ U.S. WCTs [Austin, 2001]. (Note: won third-consecutive Olympic crown in London three years later, becoming greatest Olympian/swimmer of all-time with this his 17th career Big O's gold. Won 18 <sup>th</sup> and final gold following day while swimming fly leg on 400 medley relay. (Note: Phelps says this is/was his <u>FINAL</u> individual Olympic race. But just like that movie star-turned governor of the Golden State who's returned to the big-screen once again, come Rio in '16. Phelps indeed "unretired" in late 2K13 and is committed to trying to make bis fifth Olympic team in 2K16.)	13 <sup>th</sup> World Championships	Rome	08-01-09
49.95*+/#	Milorad (Michael) Cavic, SRB/Cal (Splits: 22.69, 49.95 [27.26]. (Reaction Time: +0.72. (Note: 50 split fastest all-time en route to 100 fly clocking.)	13 <sup>th</sup> World Championships	Rome	08-01-09
50.01sf2	Cavic (Splits: 22.83, 50.01 [27.18]. (Reaction Time: +0.74)	13 <sup>th</sup> World Championships	Rome	07-31-09
50.22	Phelps (Splits: 23.83, 50.22 [26.39]. (Note: 33 <sup>rd</sup> world-record of career, second in 100 butterfly. First broke standard with a 51.47 from the semi finals of the 2003 World Championships in Barcelona, only to have countryman Ian Crocker win the gold with a world-record of his own [50.98]. Phelps took silver [51.10]. Crocker lowwred his global mark to 50.40 two years later at World Championships in Montreal, with record standing until now. Crocker won his second World title there with Phelps again runner-up [51.65], after having struck Olympic gold previous year in Athens. (Note: second time record has been broken @ Indianapolis. In 1984 @ U.S. Olympic Trials, Pablo Morales, then a Stanford All-America and now Nebraska women's coach, swam 53.38 to break the 53.44 mark of fellow American Matt Gribble from the prevous summer's U.S. Nationals in Clovis, CA. Morales finished second to West Germany's Michael Gross @ the Los Angeles Olympics a month later when Gross triumphed in a world-record 53.08. Morales broke that mark with a 52.84 duing the U.S. World Championshi Trials in Orlando in June of 1986, then won the gold at the Worlds in Barcelona later that summer. The ex-Cardinal and current "Husker" failed to make the Olympic team two years later [1988], then came back four years after that [1992] to not only make the Olympics in the 100 fly but win the gold too! He picked up a second gold swimming the fly leg of the world record-setting/gold-medal winning 400 medley relay team. (Note: in between Morales' failure to make the '88 Olympic team and his comeback four years later he graduated from Cornell University Law School and was on President Obama's short list to replace retiring Supreme Court Justice John Paul Stevens. Morales declined, however, he "preferred Lincoln to Washington." (Note: who wudda thunk it? Not <u>EVEN</u> Jim Plunkett!)	U.S. Nationals/WCTs	Indianapolis	07-09-09

### 200 METER BUTTERFLY

#### Top 3017 Performances

**1:51.51\*\*** *Michael Phelps, USA* *13<sup>th</sup> World Championships* *Rome* *07-29-09*

*(Splits: 24.76, 52.88 [28.12], 1:21.93 [29.05], 1:51.51 [29.58].*

*(Reaction Time +0.63. Fastest of race.*

*(Note: 100 split fastest all-time en route to 200 clocking.*

*(Note: first man to break 100-200 fly world records in same competition since USA's Mark Spitz [1972 Olympics].*

*(Note: 34<sup>th</sup> world-record of career [including relays]. Better's Mark Spitz's previous all-time record of 33.*

*(Note: Phelps' eighth world-record in this event. Second-most all-time to Spitz, who did it nine times between 1967 Pan-Am Games in Winnipeg [2:06.4, 07/26] and Munich Olympics [2:00.70]. However, unlike Spitz, who lost his record thrice duing that span [twice to fellow Americans: John Ferris in '67 following the Pan-Ams, then to Gary Hall Sr. in 1970 and also to West Germany's Hans Fassnacht a year later], Phelps has "owned" the standard continuously since first breaking it at the U.S. World Championship Trials in Austin [1:54.92, 03/30/01]. Since American Mike Troy set the race's first official wr [2:19.0] in 1959, no man has ever held the record as long as Phelps, let alone on an "unbroken" basis.*

*(Note: Phelps has now "four-peated," tying USA's Aaron Peirsol [200 back] and Australia's Grant Hackett [1500 free] for most World Championships titles in a single event. Hackett is only consecutive "four-peater," having won in '99, '01, '03 and '05 Phelps sole "four-peater" to break his own wr every time.*

*(Note: has continuously held world-record with one time or another since first breaking it w/his 1:54.92 @ the U.S. World Championships in Austin, Tx., on March 30,2001. He was then just 15 years old!)*

	(Splits: 25.27, 54.06 [28.79], 1:23.76 [29.70], 1:52.96 [29.20]. (Note: le Clos' first Olympic medal in his first Olympics – and it was not only golden but enabled him to defeat the double-defending champion/world record-holder, USA's Michael Phelps. (Note: first time Phelps has NOT won 200 fly gold @ a major international championships since finishing fifth @ Y2K Olympics [Sydney] as a 15-year-old! (Note: second male South African gold-medalist. Compatriot Cameron van der Burgh won 100 breast two days earlier in world-record time. South Africa's first two men's individual golds, <u>ANY</u> events, all-time. Countrywoman Penny Heyns became South Africa's second women's Olympic gold-medalist in 1996 @ Atlanta when she swept the breaststroke races. Phelps Had been No. 1 until then w/his 1:54.11 from the Pan-Pacs in August @ Irvine [CA.] (Note: runner-up finish meant no "threepeat" but did "threepeat" in 100 fly, 200 IM.) (Note: Phelps will hang up <i>Speedo</i> having "owned" the world-record w/one time or another continuously since March 30, 2001, when he swam a 1:54.92 @ the U.S. World Championships Trials in Austin. He has broken the world-record seven times during last 11 years, No. 2 all-time to Mark Spitz' nine.
